

Appendix-1

Continuation of Basheer Kwader/Queder alias Adolf Hitler in Cairo, Egypt

- 1.1. In the middle of the desert where there is absolute nothing for approx. 10-15 KM in 1960s, no water no buildings, but there is the Pyramids where it is a mystery how it was build over 3000 years ago with huge stones larger than Quebec Meter, where there is only sand in the area for miles or Kilometers long. And right next to it there was a modern Cassel of King Farouk, who went out of power in 1953 and went to Italy, where he also was working like mad in constructions, this Cassel was build in 1930s or 1940s and it was open as Museum, so people could be deceived and think this is a new building, and the Pyramids are 3000 years old. It is all Lies, I was there several times in 1960s and saw it all, also I was in Sook Al-Musky, Musky Market, where it is a hidden manufacturer for fake old allegedly Faros products like Rolls of writing on Papyrus, silver ware, statues, written stones and so on. In reality the Pyramids were 100% build in the last 100-300 years, my guess 200 years ago, by African Egyptian, black people, and the English, Americans and their Allies among others rich Indians, took every thing over and killed the Egyptians living there, and some of them escaped to the south to the jungles of Africa.
- 1.2. No one can verify the ground on which the old relocated temple Abi-Simpel was on it, because they relocated it, and the original location is all under the new lake called Naser Lake created in the 1960s through the High Dam Aswan. And the whole Dam was a trick to cover the area and cover the tracks of the mass killings of the last 100-200 years. There are mass craves below the lakes of all killed black Egyptians, some of which they burned, but they killed much more than they were able to burn away. Also after moving the temple stone by stone, statue by statue, it was damaged through the transport and now they claim, it is damaged because it is old.
- 1.3. Who ever is a honest scientist and archeologist and tried to examine the allegedly 3000 years old Egyptian buildings, were killed and they blamed it on the so called Faros curses.
- 1.4. All alleged Faros 3000 years old mummies are fake, because they cant be more solid than iron which get rust and dissolves in the same period of time.
- 1.5. And that is why they perform a lot of terrorist activities in the Middle East in particular in areas where there is fake history such as in Lebanon, Jordan, Syria, Egypt, Israel, and now in Iraq, but also in Saudi Arabia, where they claim that Mecca is where the prophet Abraham is buried in Caaba, the holiest place for Moslems, where there was a terror attack in the Hidden underground roads beneath Caaba and where Moslem pilgrim in uncountable Millions (equal to uncountable of Billions of Dollars in business revenues) every year, where Mohamad Ali Bdeir is partner with the Ben Laden, Sweeket, Al-Jeraysi and other Families and are very heavy in constructions, where he also did a lot of hidden underground roads all over Germany, but also his partners Rockefeller, Kennedy and ford did the same in New York, NY city and Houston, Texas hidden underground roads right downtown, which is converted to public underground roads in the last 20-40 years ago. Where in Mecca only Moslems are allowed, so no one who is not brain washed, such as honest scientist/archeologist with world experience can go there and examine the alleged 3000 years old buildings to prove that they were build only in the last 60-100 years ago, and that is fact. All these terrorist activities in that area are designed, among others, to kill professionals who want to examine the fake historian buildings, in particular Israelis, which many of them are educated all over the world and were all over the world and it is very easy for them to spot/discover scams or fake buildings specially in Egypt, where they are forced to believe that their ancestors were there 3000 years ago, but also in Jordan, Syria, Lebanon and Iraq, where they are

officially forbidden to go there because they are allegedly enemies of the Arab countries, whereby Arab are only invention of the last 60-100 years, except in Egypt, they are allowed to go there, but the terrorist attacks that kill among others some of them, prevent of understanding, and it is exactly what is also happening in Israel (today also in Iraq) Terrorist attacks, terrorist attacks that promote fear and the wish/will to hide or run, and therefore some of the Israelis are not able to understand their own history, because it is all mass brain wash created by my fake and real family. Also in Iraq just like in Afghanistan, George H. W. Bush and George W. Bush and (Osama) Ben Laden who is partner family with Adolf Hitler alias Mohamad Ali Bdeir who raised the children of George H. W. Bush and George W. Bush among others Samir Bdeir, Basmath Bdeir/Alami, Makram Alami and his brothers, Fikrat Kheir, Fatina Kheir, all three Bush + Ben Laden + Bdeir alias Hitler are working together to wipe off all fake history with the fake war on terrorism in Iraq but also in Afghanistan where they destroyed the allegedly 3000 years old statue in 2001/2002 prior to Afghanistan war. And the prove for all that is that the US-Dollar had the Pyramids on it as a logo, as if it is build by Jewish over 3000 years ago, where there was not even a wheel at that time. Egypt is the only old country in the Middle East which is 200-300 years old, and it was attacked by English and Turks who became allies after the wars, because Turks are originally Indians immigrants in Europe who made it all over south of Europe up to Spain and Portugal, where they made peace and created new joined religion of all European and Indian religions which is Judaism, and later Jesus Christ preached against slavery of fake religion in Germany, Greece, Italy, Spain and possibly also other countries, and that is why the New Testament has four books about him, and the content of the books such as currency, measurements, political order, politicians are all European style and not Middle East that 100% did not exist at that time. The new allies then created new more fearful/forceful religion to eradicate Christianity and therewith the freedom of individual thinking and not being a slave of the ESP Masters/Gods/Sick People. And that new Fearful/Forceful religion is Islam and 100% it was created in Spain and Portugal and not in Saudi Arabia, and it was created in the last 100-200 years and not over 1400 years ago. And therewith all the allegedly Crusades between Christians and Moslems that allegedly took place between the year 800-1200 is a 100% lie, and the only real crusades that was performed it was by the kings in Europe to eradicate all Christians also in first and second world war and up to today by using Bush, Ben Laden, and Bdeirs. This is the absolute truth about our history, and it is all hidden within the lies of our life and we are being prevented of finding it through terrorism that are among others 100% designed to separate against people so no one may understand what is happening now, or 60 years ago, or 100 years ago or 200 years ago. We exist on this planet only for the last 400-600 years and that is also fact. I lived 57 years and I saw a small portion of our life, and a small portion of the truth, and a small portion of many things that are all connected, also the hidden international crime organization created by my sick family. These are the facts and realities in our lives. In reality is the Egyptian faros were all black Africans, and they were attacked by English, Americans, Turks, Spanish, Indians and their allies as a part of the strategic expansion of their own wealth, and in this process they killed most of them and replaced them with their own people. Today the Egyptians are 100% the forced immigrated children of the above mentioned people 100-300 years ago, and the rest of the Arabs are also the new immigration in the last 60-100 years of the same people, but people forget under pressure, terrorism, persecution, hunger, cold, slavery. 100% all immigrants pretend to be Arab immigrated to the desert with all new secret technologies (back 60-80 years ago it was secret) to build in the desert, to drill water wells and make small rivers that they claim it has been there for 3000 years, read the Bible and Quran it is all there since over 3000 years, but these books, Bible and Quran were created only in the last 200 years.

My fake and real families are in the Middle East, Honk Kong, Singapore, Sri Lanka, USA, Indonesia and so on, and they are trying hard to use their influence world wide within multiple crime organizations that they created, to control the world, so they may not be recognized as the people who create fake religions and fake history to support their created fake religions. In short, Queen Victoria, King Edward VII and King George V my grandfather and the father of Adolf Hitler, had produced letterly thousands of children and send them all over the world enable they be native of these countries. And today, their children are working all over the world together and creating the conflict in the Middle East, They send their children to Iran from India, Singapore, Sri Lanka, whereby they forgot where they came from, and their biological and letterly brothers in USA and Europe send their children to the Middle East and all of them the top ones are acting enable to keep their slaves and become richer. And that is wrong period. ***** In Reality is the Egyptian Faros were all black Africans, and they were attacked by Turks, English, Americans, Spanish and others who were all allies crime organizations within Europe, USA and Asia. Today the Egyptians are 100% the brain washed and suppressed children of Indians, Americans, Europeans in particular Greek, Spanish, Italian and Turks who were all allies which killed the Egyptians after invading them in the last 100-200 years. Just like the Israelis and Arabs in the Entire Middle East are also the children of the same people in the last 60-100 years, who are suppressing the children of their fathers and grand fathers of 150-300 years ago, because the entire Middle East was 100% empty desert until 60-100 years ago. And since Americans, English and other European Royalties like Queen Victoria, King Edward VII and King George V were since 200 years also in China, south Asia including India, so they are sending their children who are pretending to be Moslems to the Middle East, who are pretending to be Arabs since also 60-100 years, the same people the mentioned queens and kings have children also in South America, North America Russia and Europe, who are pretending to build allies against the allies out of Asia, who in reality are their own biological brothers, sisters, nephews, nieces and cousins of the same parent and grand parents, which is queen Victoria and her children up to my father King George VI and the current queen Elizabeth II, and are all working together. And each of them, and they are many, brings his own people/slaves and they all pretend to be current Arabs and as a deceive they create wars, and only their slaves die in these wars, they always hide behind their slaves. And that is why Adolf Hitler was ordering mass Book destruction/burning, also in other countries world wide the same thing was done, to try to eliminate true history books, such as Bibles, and created new ones with new lies, and that is why today we have hundreds of different versions of Bibles, Quran, Torah and others, to create mass confusion. No one knows the truth any more after more than 200 years of lying and history falsification in every corner of our lives. Yet God's work is very clear if we are not constantly lied to, suppressed and persecuted and therewith cant think. Therefore we all live under God's Protection, his sun, his earth, his air, his moon, his day, his night, his water, his food, his animals and last but not least his human who would be totally lost with out his above mentioned protection, otherwise we would had to have to pay for air, earth, sun, moon even to be born and to live we also would have to pay. But thanks to God the majority is still for free a gift of God. In short all crime organization world wide who among others permanently create new religions and falsify old ones, have united their selves in the last 150 years against their slaves or the rest of the world with the goal: hide the truth no matter what it cost, also bombing their own World Trade Center on 9.11.2001 and killed 3000 people, and made millions suffer through the damage that was created, and that was the purpose, distraction, they made it look like it is the others who are bad such as Osama Ben Laden, Moslems, Pakistani, Afghani, and no doubt there was and still there is bad people there, just like any other place in the

world, but they were not the cause of the problem of bombing the World Trade Center on 9.11.2001, Syria and Jordan were the planners, who created Yasser Arafat, PLO, Hamas, Jehaad, Al-Zarkawee, Ben Laden, Musheel, Muasher, Mufleh, Islamic Brotherhood, Bader Mainhof Bande, Rote Armee Fraktion and many others in Syria and Jordan, and last but not least their head Mohamad Ali Bdeir alias Basheer Kwader alias Adolf Hitler in cooperation with Bush, Windsor, Rockefeller, Kennedy, Ford and others, just to keep their own people in USA and Europe under control and to hide the fact that the number one place for drugs world wide (at least in the western world) is 100% Syria, Jordan, Lebanon, Israel, Egypt, Iraq, Iran, and Morocco which all are controlled by the above mentioned people and not Afghanistan or Osama Ben Laden.
